

★ PLEASE READ BEFORE REGISTERING ★

Check the box for the session you plan to attend during EACH time block. Lab space is limited and labs will be assigned in the order registrations are received. Veterinary Assistants are welcome to register for any lecture, however labs are open to LVTs ONLY. If there is space in a lab, student attendance will be considered. By selecting a respective lab, you understand you are signing up for the entire duration of the lab.

Saturday, September 22
