

# \*PLEASE READ BEFORE REGISTERING!\*

Check the box for the session you plan to attend during EACH time block (time blocks are color coded). Lab space is limited and labs will be assigned in the order registrations are received. Veterinary Assistants are welcome to register for any lecture, however labs are only open to LVTs. If there is space in a lab, student attendance will be considered. By selecting a respective lab, you understand you are signing up for the entire duration of the lab.
