

2016 - 2017 TECHNICIAN PROGRAM

SPONSORED BY THE D.C. ACADEMY OF VETERINARY MEDICINE

It is time to register for the upcoming year of Technician Seminars, sponsored by the D.C. Academy of Veterinary Medicine.

**The DC Academy is opening up 4 remote simulcast sites for the technicians seminar series in 2016-2017.
You may attend our seminars at The Elks Lodge or at any remote site.**

The sites in Maryland: **Annapolis Junction** - VOSM, 10975 Guilford Road
Rockville - The Hope Center, 1 Taft Court

The sites in Virginia: **Leesburg** - The Life Centre, 165 Fort Evans Road, NE
Winchester - VVERC, 210 Costello Drive

The seminars are live at these sites and you see the same slides and hear the same audio. There are no walk-in registrations at remote sites. If you plan on attending, you must complete and return a Technician Remote Site Registration Form by the Friday before the Wednesday seminar. You may download the form on the link on our website.

Series registration is technician-specific and is non-transferable. Series registration permits attendance at all 4 seminars within the seminar series. Benefits for registering for the entire series include the following:

- Savings of more than \$145 over the individual seminar fee if registered by 9/20/16.
- The DC Academy of Veterinary Medicine will archive your continuing education credits and e-mail you a continuing education statement at the end of the program year.
- Receive meeting announcements by e-mail to your designated e-mail address.
- Have access to seminar handouts via the DC Academy website (www.dcavm.org) in the technician section.

FEES: Full Time Student in Accredited Vet. Tech. Program..... No Charge
Early Series Registration Discount (Before 9/20/16)..... \$115.
Standard Series Registration (After 9/20/16)..... \$140.
